Product Disclaimer	<ul style="list-style-type: none"> • If a product excludes coverage for a service, it is not covered, and medical policy criteria do not apply. • If a commercial product (including an Essential Plan product) or a Medicaid product covers a specific service, medical policy criteria apply to the benefit. • If a Medicare product covers a specific service, and there is no national or local Medicare coverage decision for the service, medical policy criteria apply to the benefit.

POLICY STATEMENT

- I. A second *medical* opinion is considered **medically appropriate** for an office visit in connection with a positive or negative diagnosis of cancer, a recurrence of cancer, or any recommendation of a course of treatment of cancer.
The second medical opinion must be rendered by an appropriate specialist, including, but not limited to, a specialist associated with a specialty care center for the treatment of cancer (*refer to the Policy Guidelines section regarding contract benefit application*).
- II. A second *surgical* opinion with respect to proposed surgery is considered **medically appropriate** when **ALL** the following conditions are met:
 - A. The second surgical opinion is sought when the patient's primary care physician determines a need for surgery;
 - B. The second surgical opinion is rendered by a provider who is a board-certified specialist; and who, by reason of his or her specialty, is an appropriate provider to consider the proposed surgical procedure (*refer to the Policy Guidelines section regarding contract benefit application*);
 - C. The second surgical opinion is rendered with respect to a surgical procedure of a non-emergency nature for which benefits are provided; and
 - D. The provider rendering the second surgical opinion performs the examination.
- III. Coverage may be provided for a third surgical opinion, in accordance with the above criteria, if the first two opinions do not agree.
- IV. Second medical opinions received from non-participating specialists are covered as in-network when a participating physician refers a member to the non-participating specialist.

DESCRIPTION

A second medical or surgical opinion, or confirmatory consultation, is an opinion based on a one-time evaluation provided by a second physician regarding a diagnosis or course of treatment recommended for a patient by a physician.

Under the New York Insurance Law, all contracts and certificates that provide medical, major medical or similar comprehensive-type coverage must provide benefits for a *second medical opinion* by an appropriate specialist, including, but not limited to, a specialist affiliated with a cancer specialty care center, in the event of a positive or negative diagnosis of cancer or recurrence of cancer or a recommendation of a course of treatment for cancer.

CMS COVERAGE FOR MEDICARE PRODUCT MEMBERS

Based on our review, second medical and surgical opinions are not addressed in National or Local Medicare coverage determinations or policies.

Medicare Benefit Policy Manual Chapter 15 - D. Patient-Initiated Second Opinions (Rev. 235, 07-11-17) states:

Patient-initiated second opinions that relate to the medical need for surgery or for major nonsurgical diagnostic and therapeutic procedures (e.g., invasive diagnostic techniques such as cardiac catheterization and gastroscopy) are covered under Medicare. In the event that the recommendation of the first and second physician differs regarding the need for surgery (or other major procedure), a third opinion is also covered. Second and third opinions are covered even though the surgery or other procedure, if performed, is determined not to be covered. Payment may be made for the history and
