

Tip Sheet for UNIVERA Clinical Editing Review Requests

Clinical Editing reviews are edits/denials made by our Code Editing Software.

Some of the more frequent edits include, but are not limited to:

- **Inclusive**
- **Rebundled**
- **Mutually Exclusive**
- **Incidental**
- **Duplicate**
- **Modifier 51 placement**
- **Invalid Procedure Code.**

The Clinical Editing Request Form, can be found on our Univera website at.

WWW.UNIVERAHEALTHCARE.COM. Click on the "Provider" link, then choose the "Coding and Billing" tab on the menu bar, and in the Clinical Editing Box choose the "Request for Clinical Editing Review" form.

All providers should use this form when requesting review of a clinical editing decision.
