IMPORTANT INSTRUCTIONS FOR COMPLETING THIS FORM

Please read these instructions carefully before completing this form. Thank you!

- For each authorization request, please print a **new form** directly from our website. **Do not make copies of the form for future use**.
- Type your responses whenever possible. Handwriting is difficult for our automated ocular recognition software system to read; however, if you need to handwrite, please print and use black ink.
- Upload the prior authorization request with corresponding clinical documentation to our SDS portal at Provider.Univerahealthcare.com/authorizations/sds-portal.
- Documents uploaded after 5 p.m. will not be processed until the following business day.
- To improve processing time, upload prior authorization requests and medical records one member at a time.
- Mark prior authorization requests as Urgent or Standard in the appropriate form field. If you handwrite "urgent" on the form or in the notes on a coverage page, it may be missed.
- If you do not receive a determination within the requested time frame, please call us before resending documents. If you do not call, a duplicate request could be processed, which delays intake.
