# UTILIZATION MANAGEMENT STANDARD CLINICAL REVIEW PREAUTHORIZATION LIST

The following services require clinical review preauthorization for,

Commercial managed products, Essential Plan, Medicare, Dual Eligible Special Needs Plan (HMO, D-SNP), and Managed Safety Net Products.

Please review the column that applies to the member's specific health benefit program regardless of place of service.

## Code Changes Are Highlighted In Grey

#### IMPORTANT

This list represents those services that require preauthorization with a clinical medical necessity review.

It is NOT inclusive of all insurance products and procedures requiring preauthorization.

There may be services which require preauthorization / notification that do not require clinical review.

Please verify specific coverage requirements before rendering service. These services require preauthorization regardless of place of service.

To initiate preauthorization requests please follow the below service contact information:
